## CLEARINGHOUSE RULE 96-093

### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]**

### 2. Form, Style and Placement in Administrative Code

- a. In s. HSS 195.04 (1m) (d), the language which is stricken-through *and* underscored should be deleted. Also, in that paragraph, “a” should be inserted before “~~hotel or motel~~.”
- b. In s. HSS 196.04 (1m) (c), a comma should be inserted after “1995” and “1995.”
- c. In s. HSS 196.04 (1m) (d), a comma should be inserted after “1996.”
- d. In s. HSS 197.04 (1m) (a), the comma after “1996” should not be underscored.
- e. In s. HSS 197.04 (1m) (c), a comma should be inserted after “1995.”
- f. Section HSS 198.04 (1m) (b) 3. is misnumbered in the rule-making order. It is s. HSS 198.04 (1m) (c).
- g. In s. HSS 198.04 (1m) (b) 3., “~~or (b)~~” should be inserted after “~~par. (a)~~.” Also in that subdivision, in the phrase “commissary shall pay to the department,” the word “to” occurring prior to the phrase “the department a penalty fee of \$50” should be deleted or underscored because it is not in the original text.
- h. The text of s. HSS 198.04 (1m) (d) 1. should be inserted before s. HSS 198.04 (1m) (d) 2. because the treatment clause states that the entire subsection is amended.
- i. In s. HSS 198.04 (1m) (e), “~~to~~” should be deleted. Also, in that paragraph, a comma should be inserted after “1996.”

**5. Clarity, Grammar, Punctuation and Use of Plain Language**

The cover letter to the rule states that the fee increase amounts to an average of 12%, while the plain language analysis reports this figure to be “about 10%.” This inconsistency should be reviewed.
